## TOYS & GIFTS

THE DEFINITIVE INFORMATION SOURCE FOR THE TOY AND GIFT MERCHANT

### Toy Fair 2006

#### *Made By Hands Pops Out*

**M**ade By Hands introduces **Make-Your-Own Masterpieces**. Using Matisse- and Picasso-esque pop-outs, children will be able to create their own artistic masterpieces. Each set comes with three different-sized, freestanding, easel-back cardboard canvases. Once these masterpieces are completed and set on display, a child's room will become their own personal art museum.
