Pop Out Shapes by MADE BY HANDS

Each Make-Your-Own Masterpieces set comes with five different sized, freestanding easel-back cardboard canvases, over 800 colorful shaped Pop-Outs, and a glue stick. Budding artists spend hours in their studios, uh, bedrooms, fussing and gluing and creating original collages onto their canvases. Once these masterpieces are completed and set on display your child's room will become their own personal art museum. (Price: \$18.99; Age: 5 and up)
